

## REACH – Declaration of Conformity regarding the Authorisation and Restriction of Chemical Substances

Dear Customer,

we hereby confirm that all the products delivered by us conform to REACH Regulation (EC) No. 1907/2006. Willi Hahn GmbH itself uses substances on their own or in a composition within its industrial or commercial activities and is therefore a downstream user as defined in Article 3 No. 13 of Regulation (EC) No. 1907/2006. Willi Hahn GmbH is not subject to registration in this respect.

As a downstream user, Willi Hahn GmbH has already requested that all suppliers provide confirmation regarding the correct implementation of Regulation No. 1907/2006.

In accordance with Art. 31 of Regulation 1907/2006, the supplier of a substance or preparation provides the purchaser of a substance or preparation with a safety data sheet if the substance or preparation is classified as dangerous under Regulation (EG) Nr. 1272/2008 (CLP).

If the supplier has produced a chemical safety report, the supplier includes the relevant exposure scenarios or use and exposure categories in the safety data sheet and ensures that the information in the safety data sheet corresponds with the data in the safety assessment in accordance with Art. 31 paras. 2 and 7.

In accordance with Article 33 Par. 1 of Regulation 1907/2006, we confirm that we are aware of our duties as regards information throughout the supply chain and of our legal obligation as regards compliance, and that our products do not contain SVHCs with a concentration greater than 0.1 percent by weight.
